Why do Testers Feel Lesser Than Developers?

Four Common Misconceptions Why Testers Think Developers Are Superior and Four Ways How to Deal With It

Four Common Misconceptions Why Testers Think Developers are Superior

- 1. That's just how it has always been**
- 2. I am not technical enough**
- 3. I don't have any tangible result that users can use**
- 4. Anyone can test or testing is easy**

Misconception 1

**That's just how
it has always
been**

Challenge Status Quo

- **Active Voice**
- **Be Proactive**
- **Build credibility**

A mannequin made of newspaper with a red cape and Superman logo, standing against a city skyline at sunset. The mannequin is positioned on the left side of the frame, facing right. It has a red cape and a red and yellow Superman logo on its chest. The background is a city skyline at sunset, with buildings lit up and a cloudy sky. The text "Always Challenge the Status Quo" is overlaid on the right side of the image in a large, white, sans-serif font.

**Always
Challenge the
Status Quo**

Misconception 2

**I am not
Technical Enough**

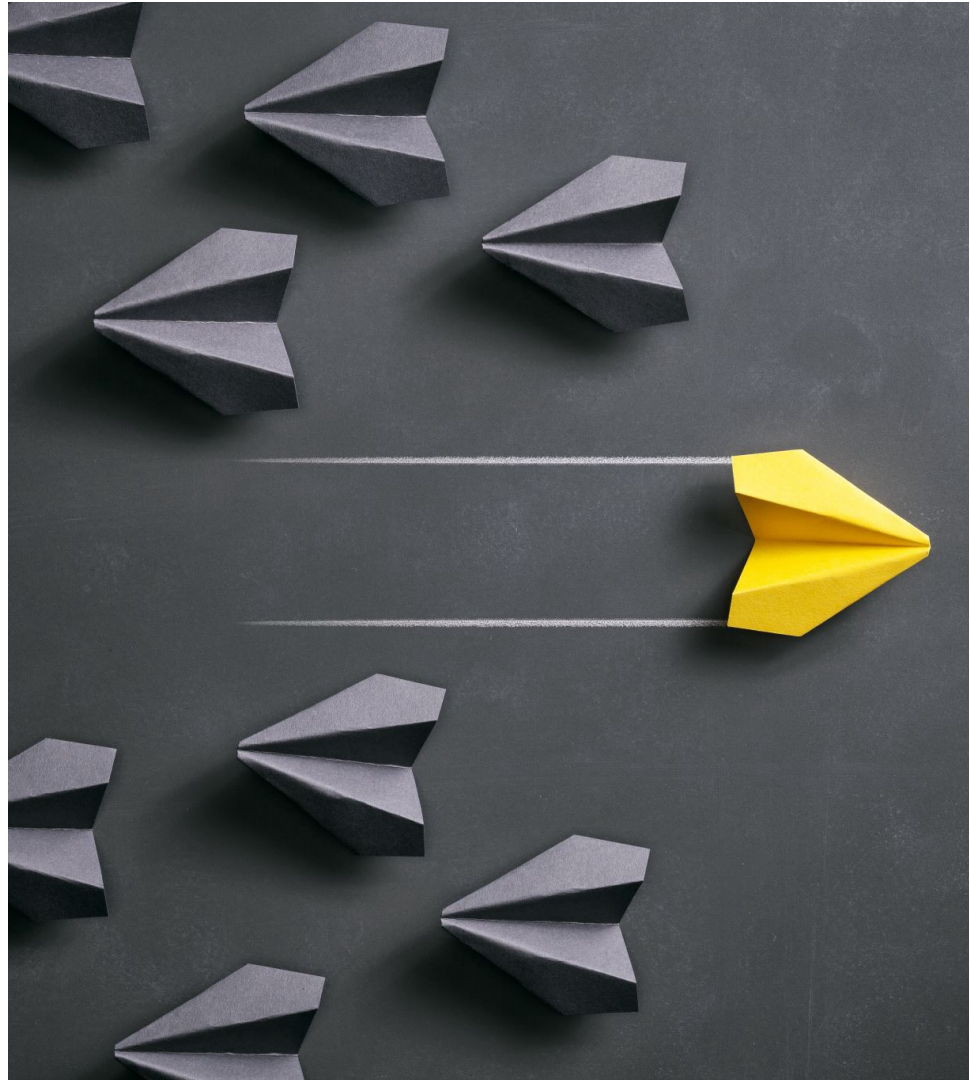

TCoE

VS

Autonomous Teams

- **Talk to technical people more often**
- **Start small**
- **Have a continuous improvement attitude**

**have a continuous
learning and
improvement
attitude**

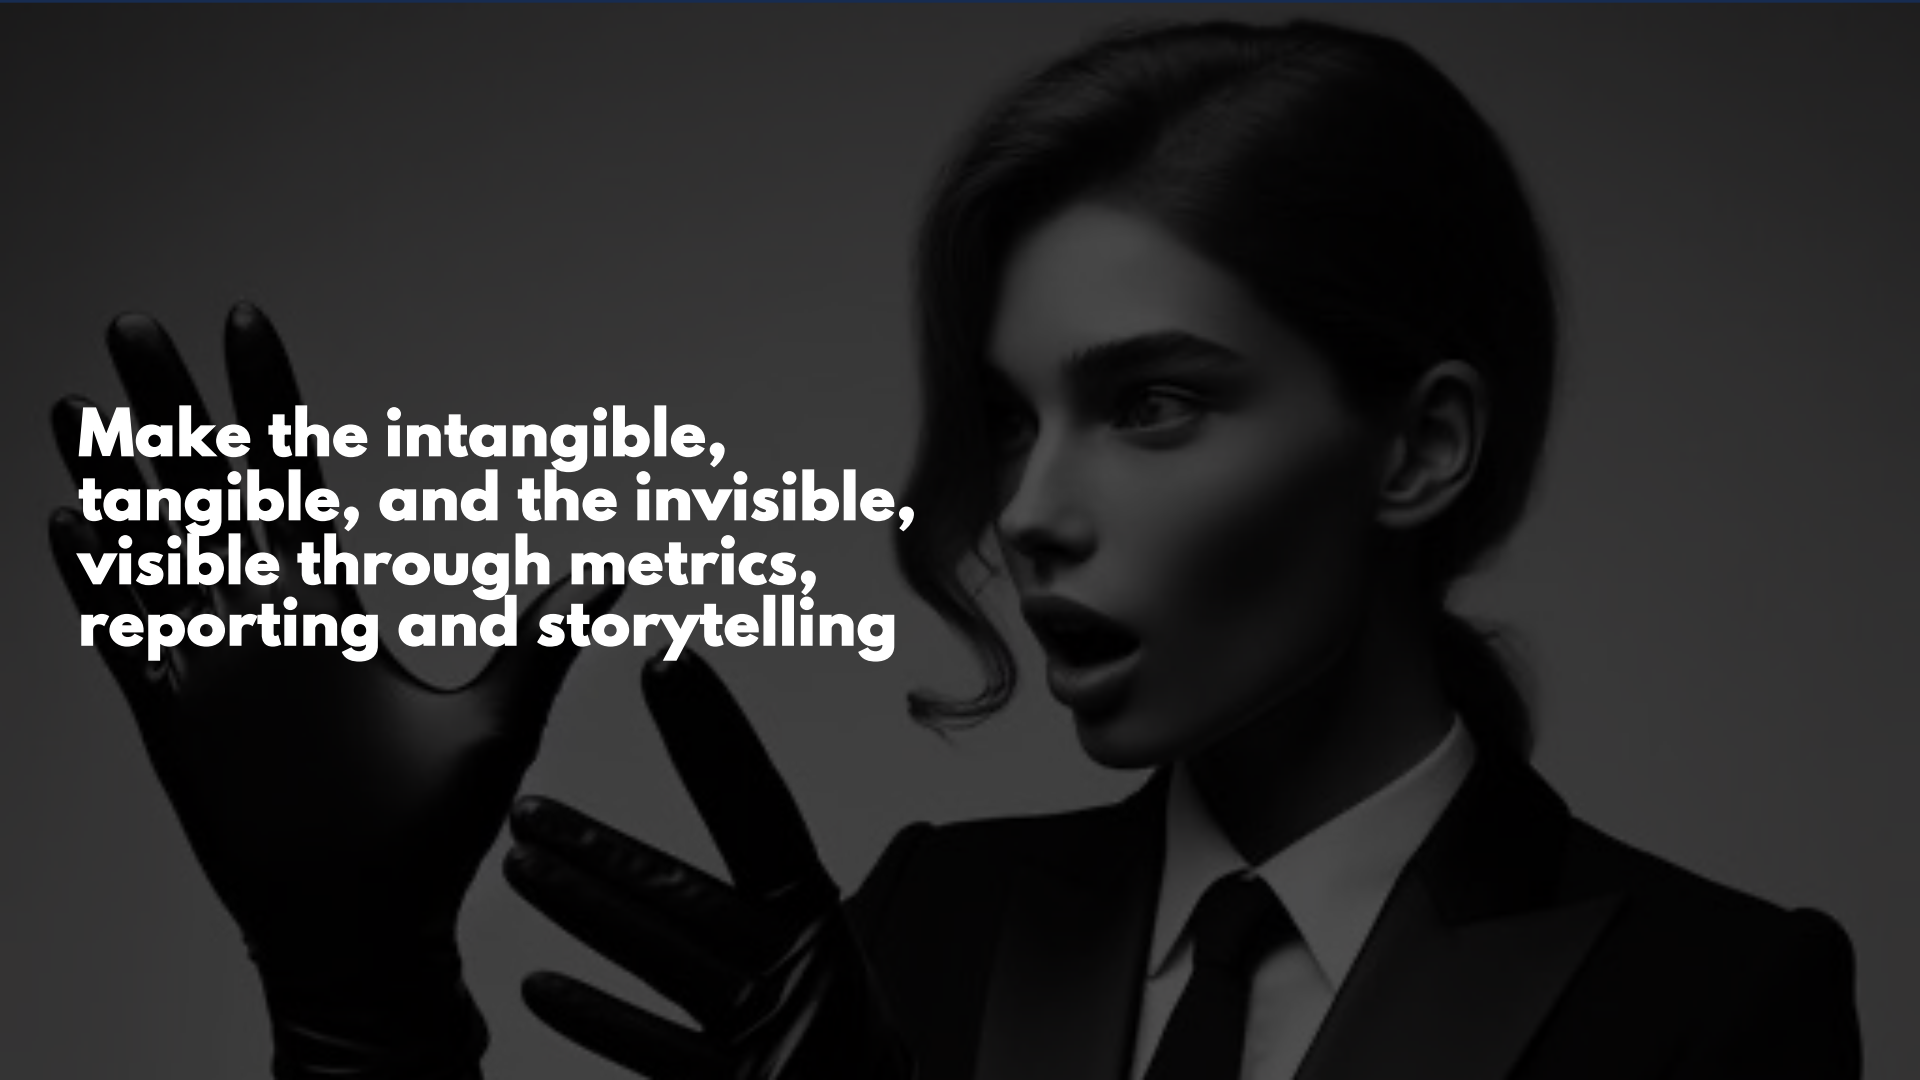

Misconception 3

**I don't have any
tangible results
that users
can use**

How to make the invisible, visible

- **Use visualization tools**
- **Create newsletters or publish blog posts in your internal and external collaboration sites**
- **Speak about your work**

A black and white photograph of a woman in a professional suit and gloves, gesturing with her hands. The image is dark and serves as a background for the text.

**Make the intangible,
tangible, and the invisible,
visible through metrics,
reporting and storytelling**

Misconception 4

**Anyone can test
or testing is easy**

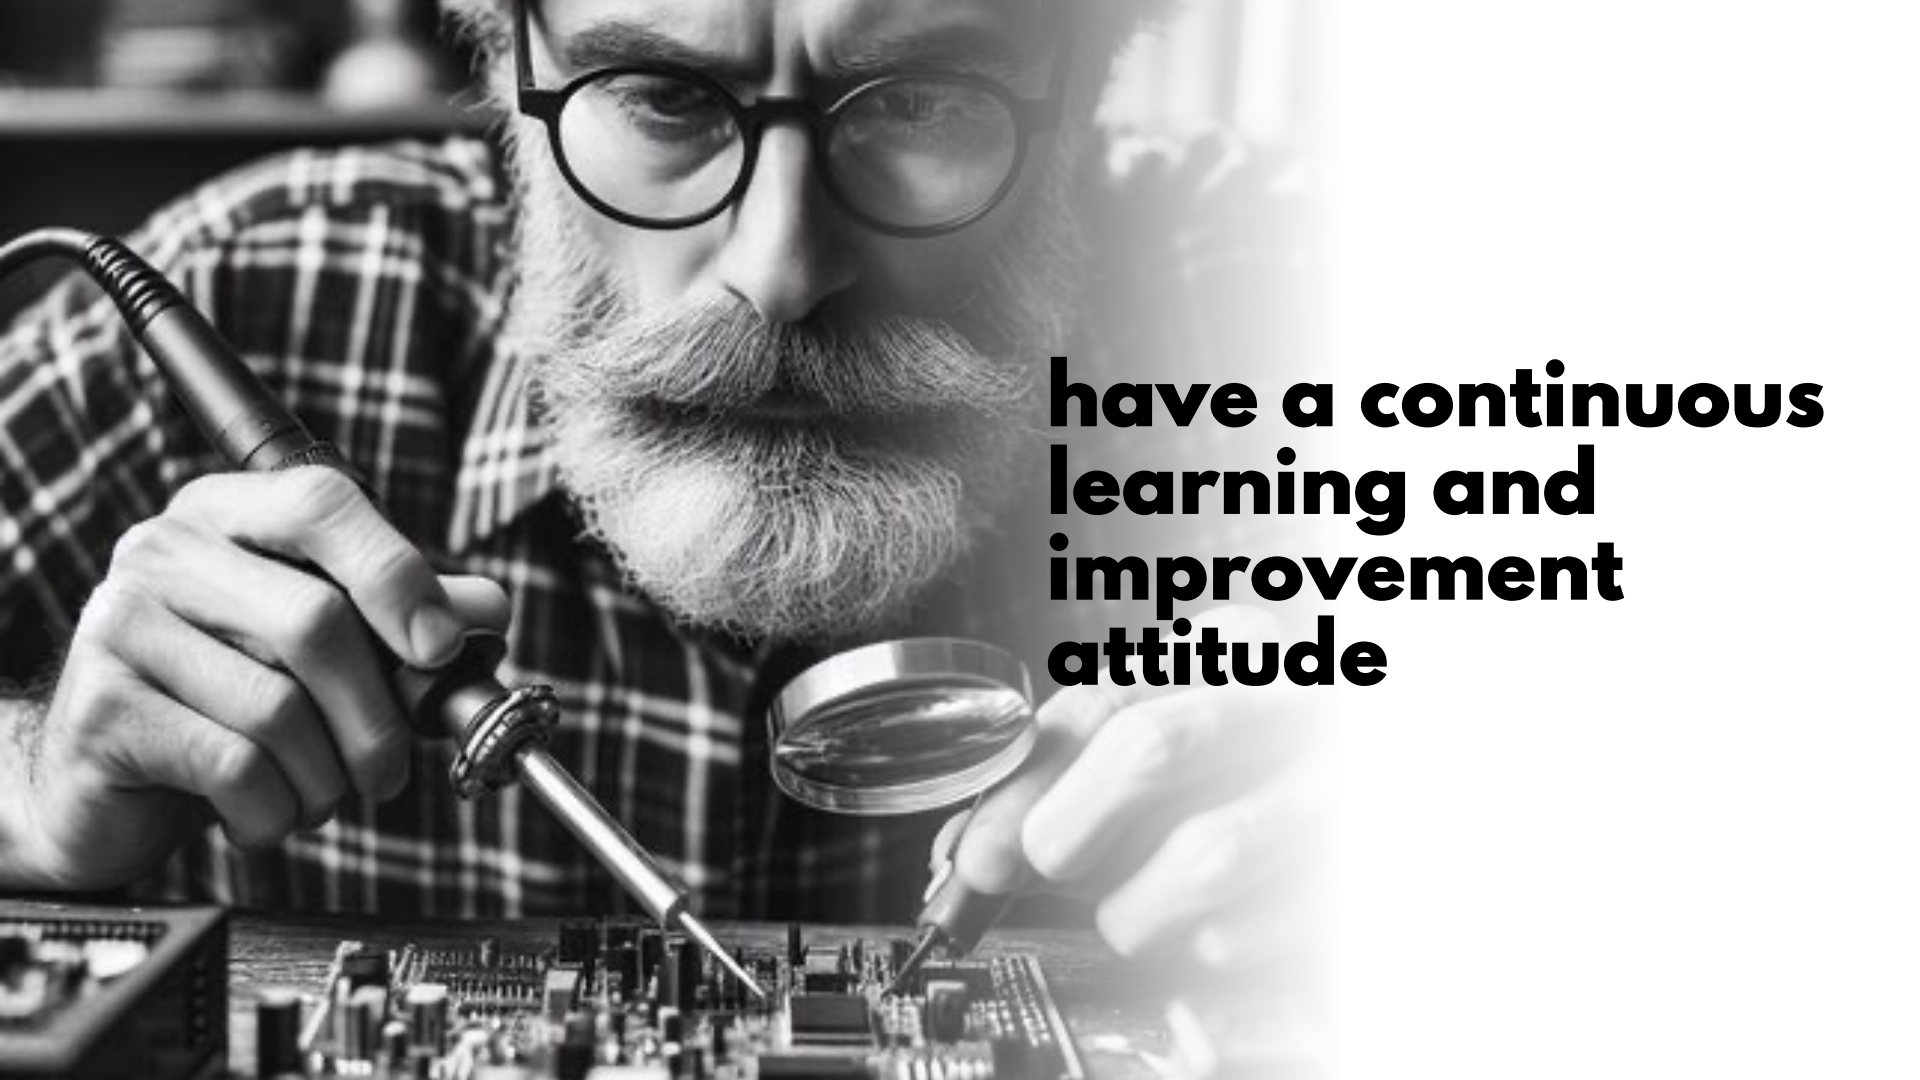

YOU ARE SPECIAL!

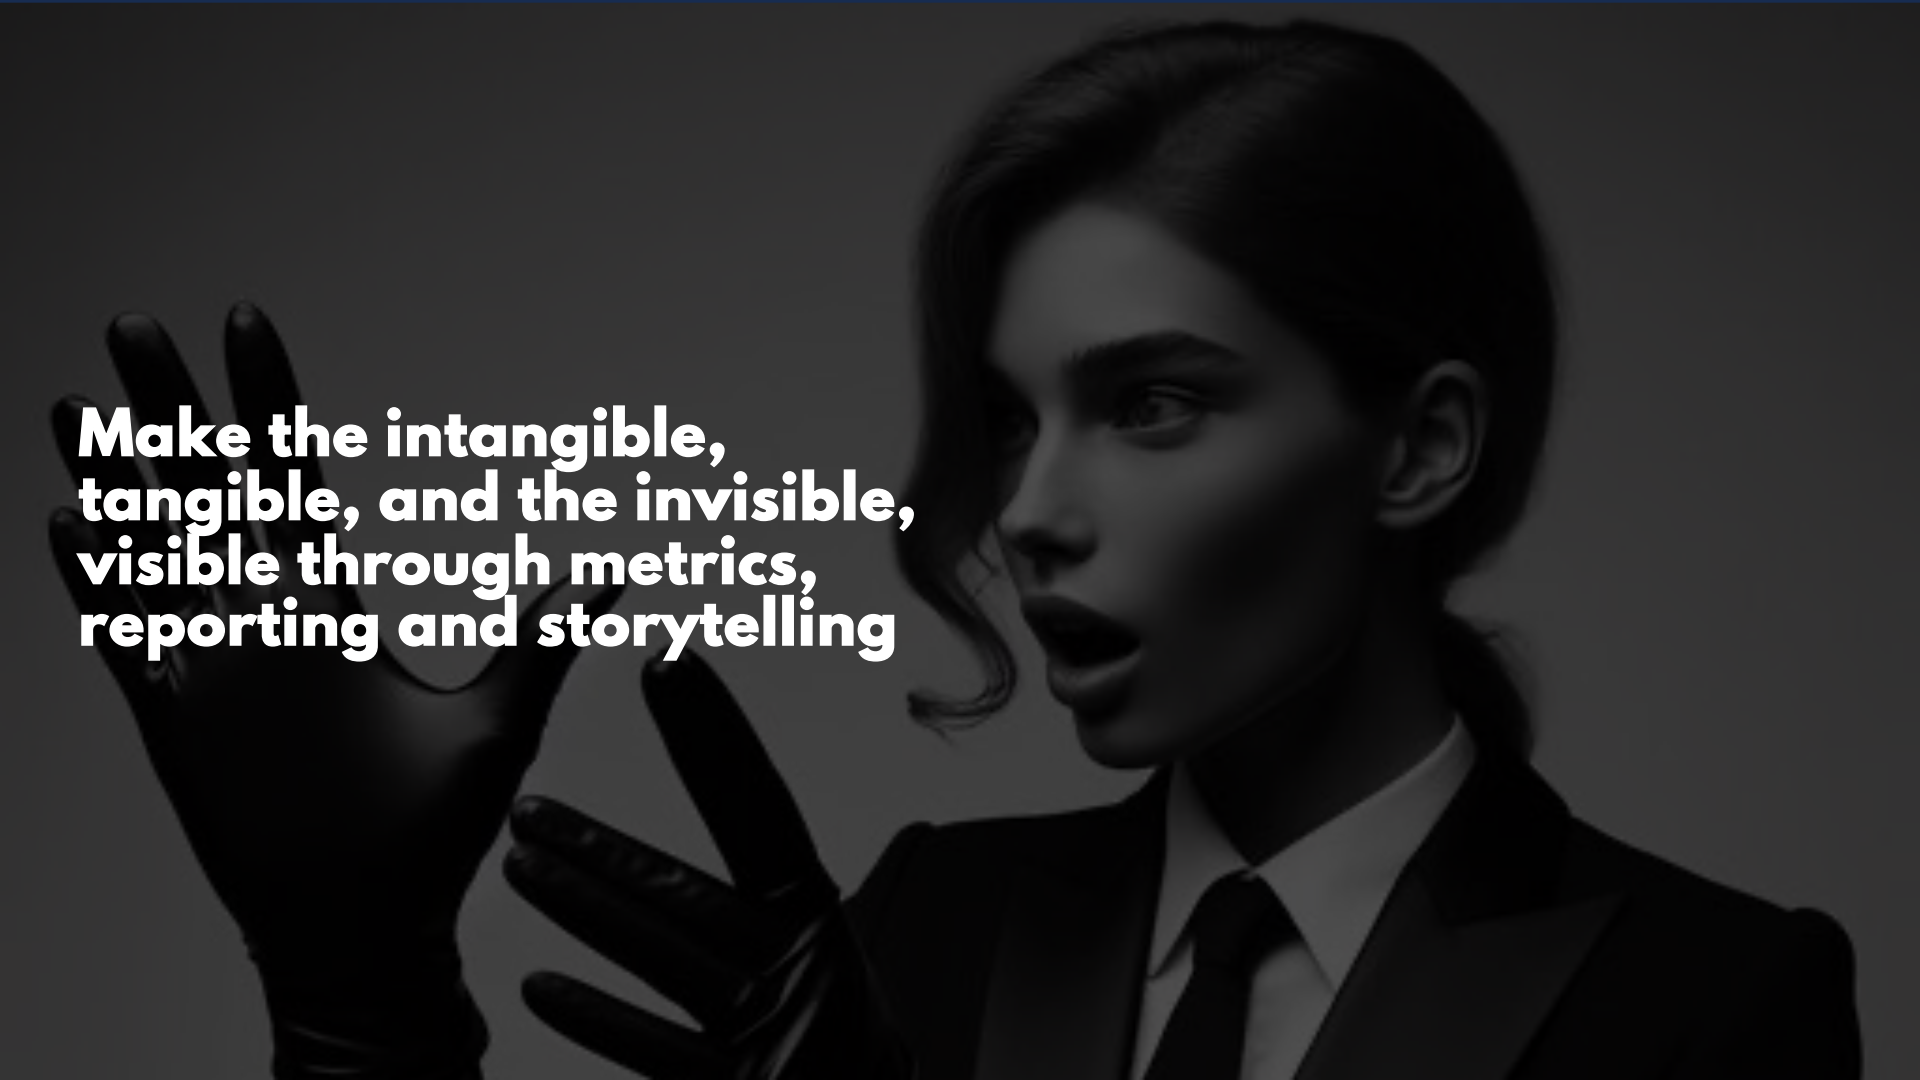

A mannequin constructed from folded newspaper pages, wearing a red cape and a red and yellow Superman logo on its chest. The mannequin is positioned on the left side of the frame, looking towards the right. The background features a city skyline at sunset, with buildings illuminated by the low sun. Several vertical lines, resembling window blinds or rain, run across the image. The overall mood is contemplative and symbolic.

**Always
Challenge the
Status Quo**

**have a continuous
learning and
improvement
attitude**

A black and white photograph of a woman in a business suit and gloves, looking surprised or concerned, with her hands raised. The image is dark and serves as a background for the text.

**Make the intangible,
tangible, and the invisible,
visible through metrics,
reporting and storytelling**

Differentiate yourself from others by learning and mastering testing and quality skills

**You Deserve More
and you have the power to be
more!**

Q & A
